The University of Dayton

News Release

NATIONAL ENGINEERS WEEK TO BE CELEBRATED WITH AN OPEN HOUSE

DAYTON, Ohio, January 26, 1983 -- As part of National Engineers Week (February 20-26) the University of Dayton School of Engineering is sponsoring an open house on February 26. Registration will be in Kettering Laboratories 281 between 12:30 p.m. and 4:30 p.m. Admission is free.

The open house is designed for students who are interested in the fields of engineering and engineering technology. Representatives from these two areas, as well as representatives from admissions, financial aid, cooperative education, special programs, the University Honors Program, and student organizations, will be available to answer questions.

Presentations on engineering and engineering technology will be given at 1 p.m. and 3 p.m. in Kettering Laboratories 221. Tours of the engineering facilities will leave from the front lobby of the Kettering Laboratories every half hour from 1 p.m. until 3:30 p.m. Tours of campus, also leaving from the front lobby, will be given at 1:15 p.m., 2:15 p.m., and 3:15 p.m.

At UD bachelor's degrees are offered in chemical, civil, electrical, and mechanical engineering. Associate and bachelor's degrees are offered in chemical technology, electronic engineering technology, industrial engineering technology, and mechanical engineering technology.

For more information on the open house, call the UD School of Engineering at 229-2736.
